Testimonies

1. Sister Maria

Praise God my name is Maria boota. I am from Lahore. A few months ago, I was suffering from severe sickness and weakness. I had lost all hope and felt very discouraged. During that difficult time, someone told me about JCTV, and I started watching the programs regularly. Through the messages, worship, and prayers, my faith became stronger day by day. One day, during the prayer segment on JCTV, I prayed with full faith and asked God for healing. After that, I started feeling better, and gradually my health improved. Today, I am completely fine and able to do my daily work again. I truly thank God for His healing and blessings, and I am also thankful for JCTV for being a source of encouragement in my life.

2. Brother Daniel

My name is Daniel. I want to thank God for what He has done in my life through JCTV. I was going through a very stressful time because of family and financial problems. My heart was filled with fear, anxiety, and disappointment, and I did not know what to do. One evening, I was watching a program on JCTV where the speaker talked about trusting God during difficult situations. Those words touched my heart deeply. After that day, I started praying more and spending time listening to the Word of God through JCTV programs. Slowly, I experienced peace in my heart, and God opened new ways for me and my family. Today, I can truly say that God changed my situation and gave me hope again. I thank JCTV for spreading the message of faith and encouraging people like me.

3. Sister Grace

Praise God, I am Grace Peter. Before coming closer to Jesus, my life was full of confusion, sadness, and hopelessness. Even though I smiled in front of people, deep inside my heart was troubled. One day, while scrolling through channels, I started watching JCTV. The worship songs, prayers, and messages touched my heart in a very special way. I continued watching JCTV daily, and through the teachings, I learned more about the love of God and the peace that comes through Christ. I started praying regularly and trusting God with my life. Gradually, my heart changed completely. The sadness and fear in my life were replaced with joy and peace. Today, I thank God because He gave me a new beginning and strengthened my faith. I am grateful to JCTV for being a blessing and for sharing the message of hope with so many people.
