Testimonies

Sister Hannah

Praise God! My name is Hannah Joseph, and I am from Gujranwala. For many months, I was burdened with worry because my children had drifted away from God. Every day, I prayed that God would bring them back to Him.

While watching JCTV, I listened to a message about never giving up in prayer. That message encouraged me to keep trusting God. I continued praying with faith and watching the programs regularly. After some time, I saw a change in my family. My children started attending church again and became interested in reading the Bible. Today, our family prays together, and our faith has grown stronger. I thank God for answering my prayers and thank JCTV for encouraging me to remain faithful.

Brother Andrew

Praise God! My name is Andrew Thomas. I want to thank God for changing my life. I had developed many bad habits that affected my relationship with my family and my spiritual life. I wanted to change, but I could not do it on my own.

One day, I watched a sermon on JCTV about the power of repentance and God's grace. I surrendered my life to Christ and started praying every day. With God's help, I left my old habits behind and began living a new life.

Today, I have peace, my family relationships have improved, and I am growing stronger in my faith. I thank God for His mercy and JCTV for sharing His Word.

Sister Esther

Praise God! My name is Esther Paul, and I am from Karachi. I was preparing for important exams, but I was very anxious and lacked confidence. I prayed often, asking God to help me overcome my fear.

While watching JCTV, I heard a message reminding viewers that God gives wisdom and strength to those who trust Him. Those words encouraged me to rely on God instead of my fears. I studied with confidence and continued praying every day.

By God's grace, I passed my exams with good results. I give all the glory to God for His faithfulness, and I thank JCTV for being a source of encouragement and hope during that important time in my life.

A book by Rev. Dr. Javed Rauf

During this month, I Trust in God, written by Rev. Dr. Javed Rauf, continued to inspire readers with its powerful message of faith, hope, and complete dependence on God. Available in both *English and Urdu*, the book reaches a wider audience, allowing more readers to experience its encouraging message. Through personal experiences and biblical reflections, Rev. Dr. Javed Rauf shares how God's faithfulness remains constant during seasons of uncertainty, waiting, struggles, and life's greatest challenges. The book reminds readers that faith is not about having all the answers but about trusting God, who is always in control and faithfully working according to His perfect plan. Drawing inspiration from the lives of Job, Abraham, Joseph, Paul, and John, the book encourages believers to remain steadfast in every season of life, whether on the mountaintop, in the valley, or amid life's storms. It emphasizes that trust in God is strengthened through trials, deepened during seasons of waiting, and sustained by the assurance of His constant presence and unfailing faithfulness. I Trust in God continues to serve as a source of encouragement, helping readers grow in their faith and confidently rely on God's promises regardless of their circumstances.
